

< Wireframes > Web Technologies 1 – HTML & CSS

The following wireframes should be used as a basis for the layout of your responsive page (Mobile, Tablet & Desktop).

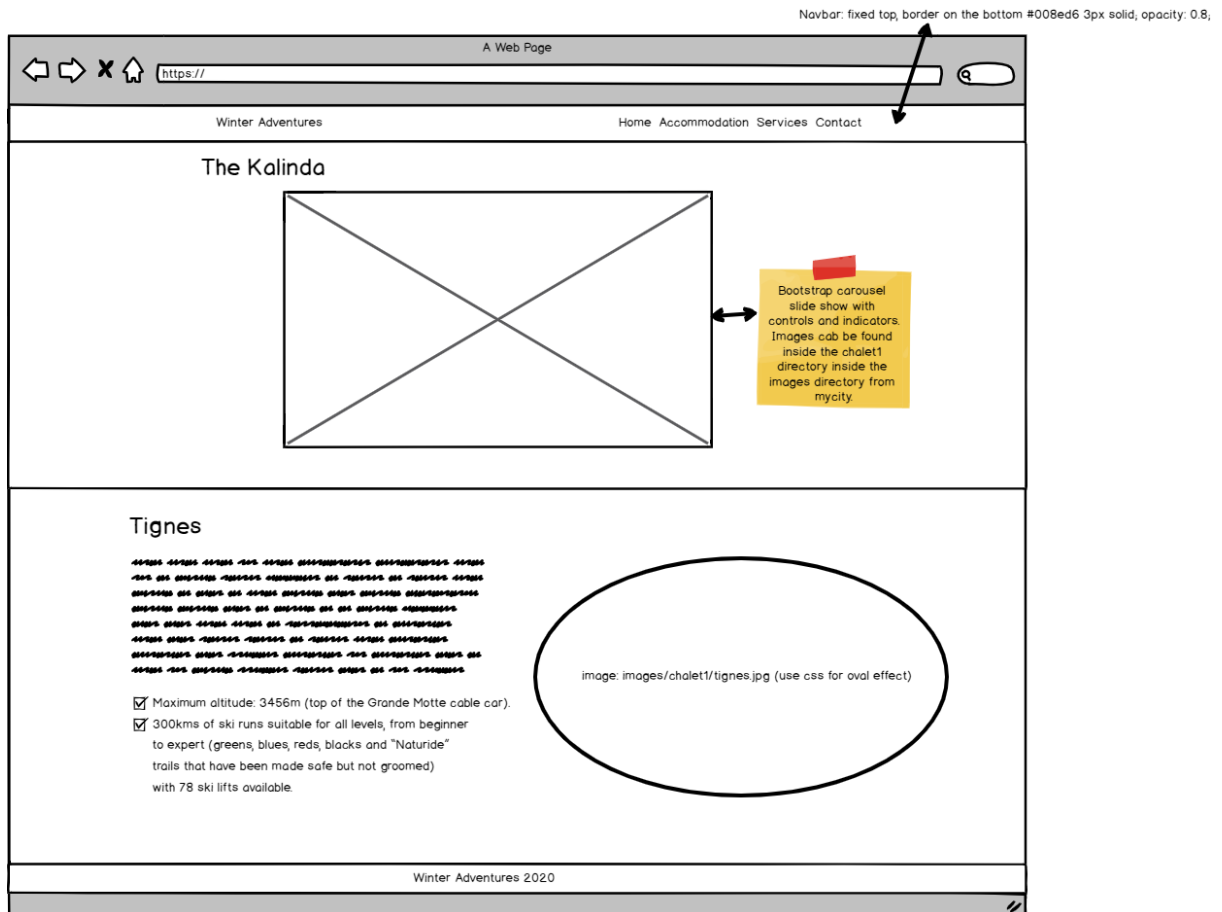

The web site should include the following content pages:-

- Home page
- Tignes
- Morzine
- La Tania

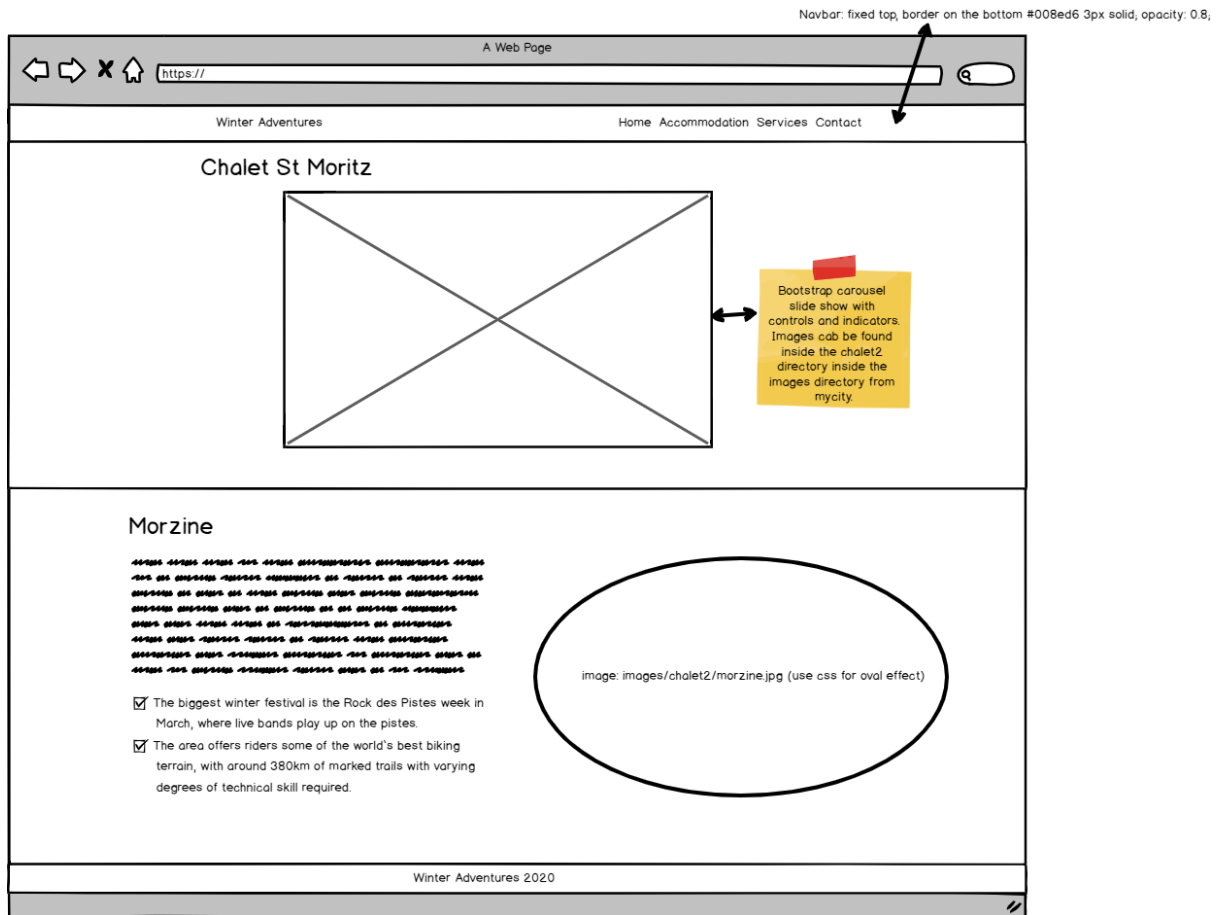

Wire frames have been produced by the client (Winter Adventures) and are attached below in the order detailed above.

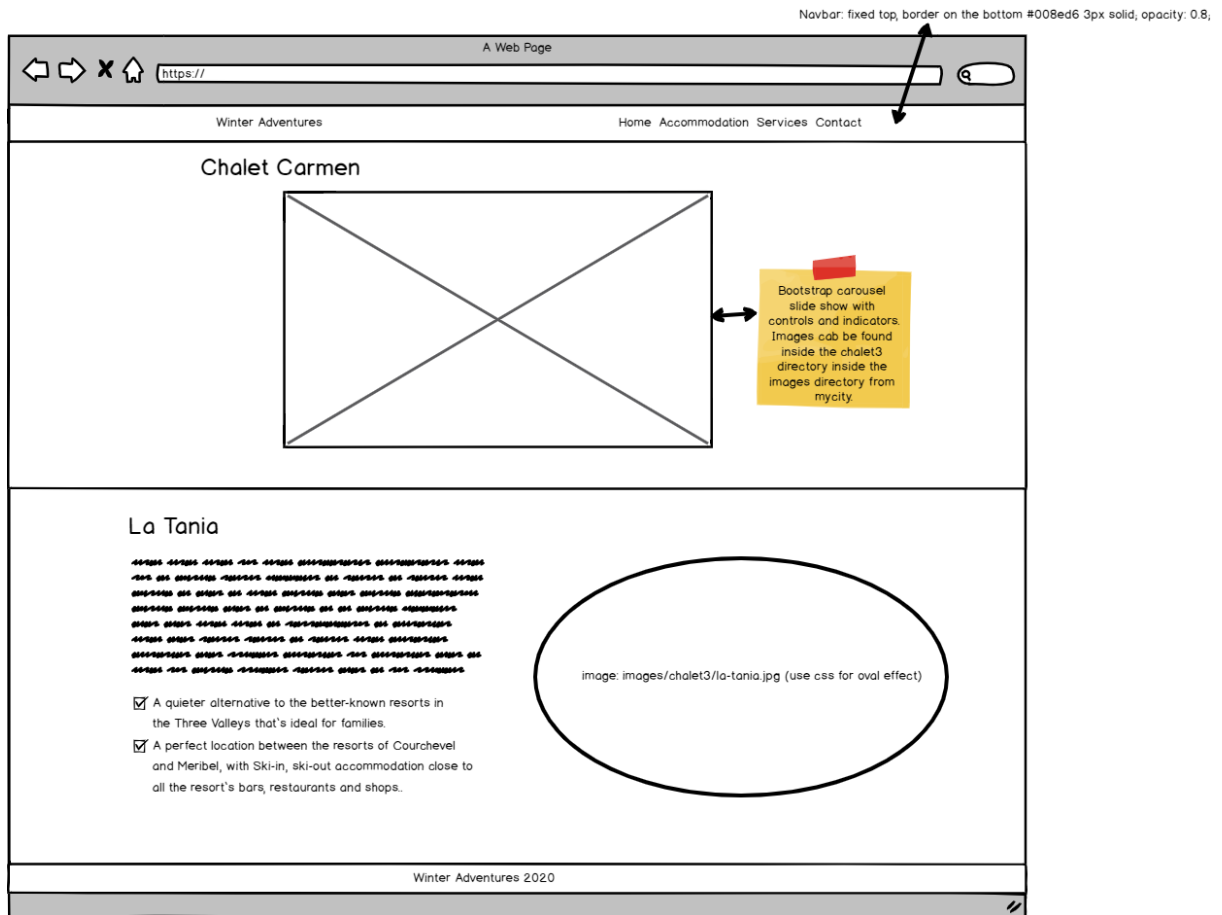

Home Page – Desktop (Home page video can be located in the media folder on mycity)

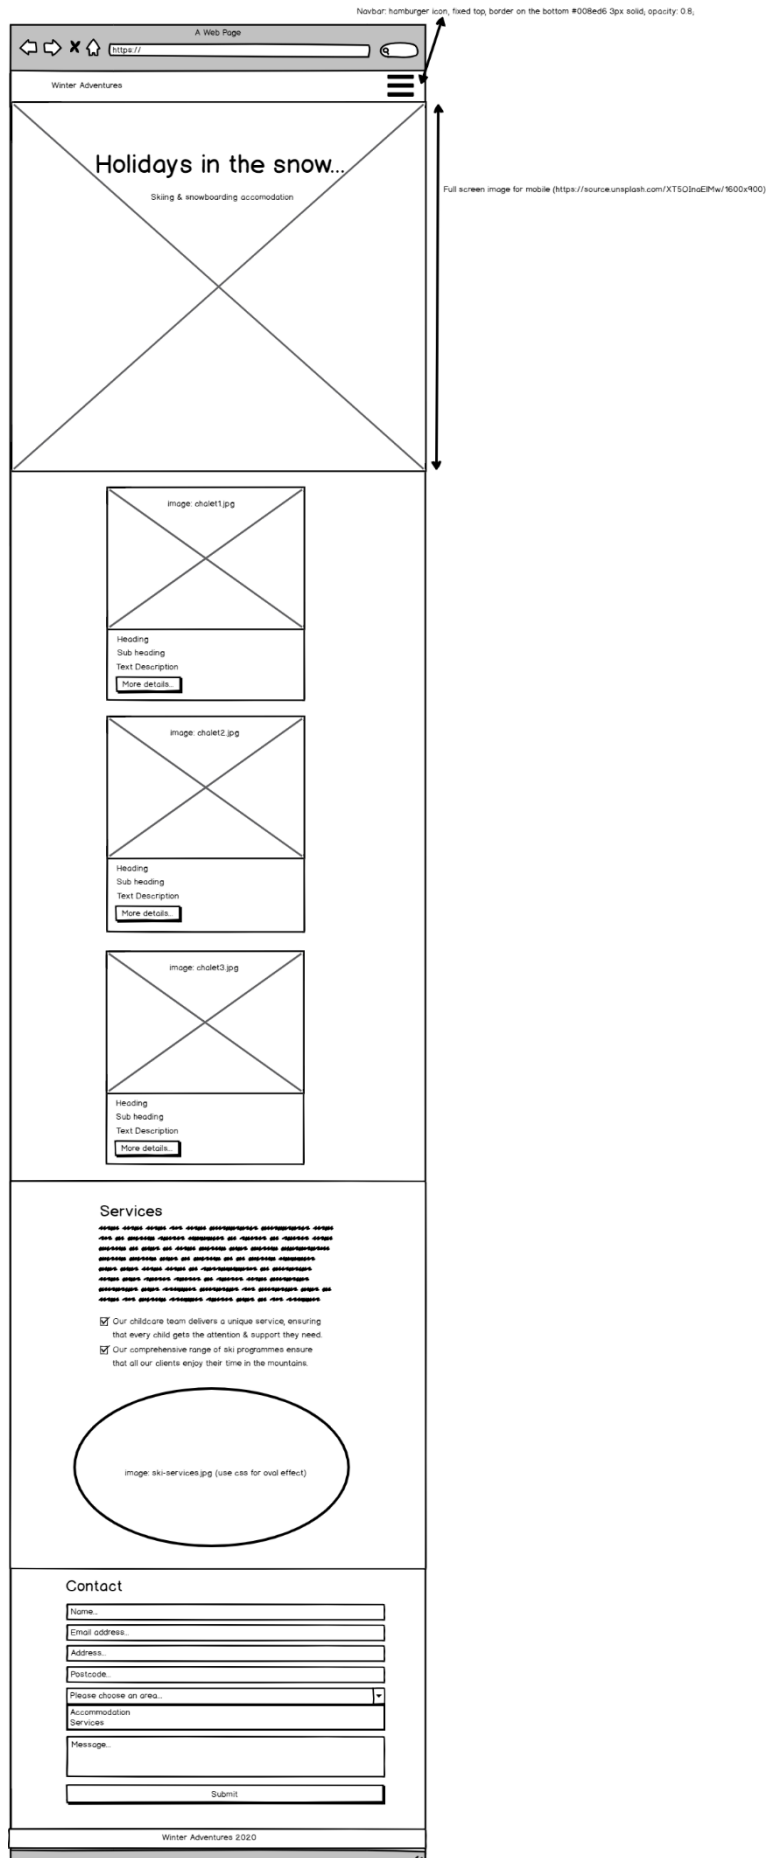

Tignes Page - Desktop

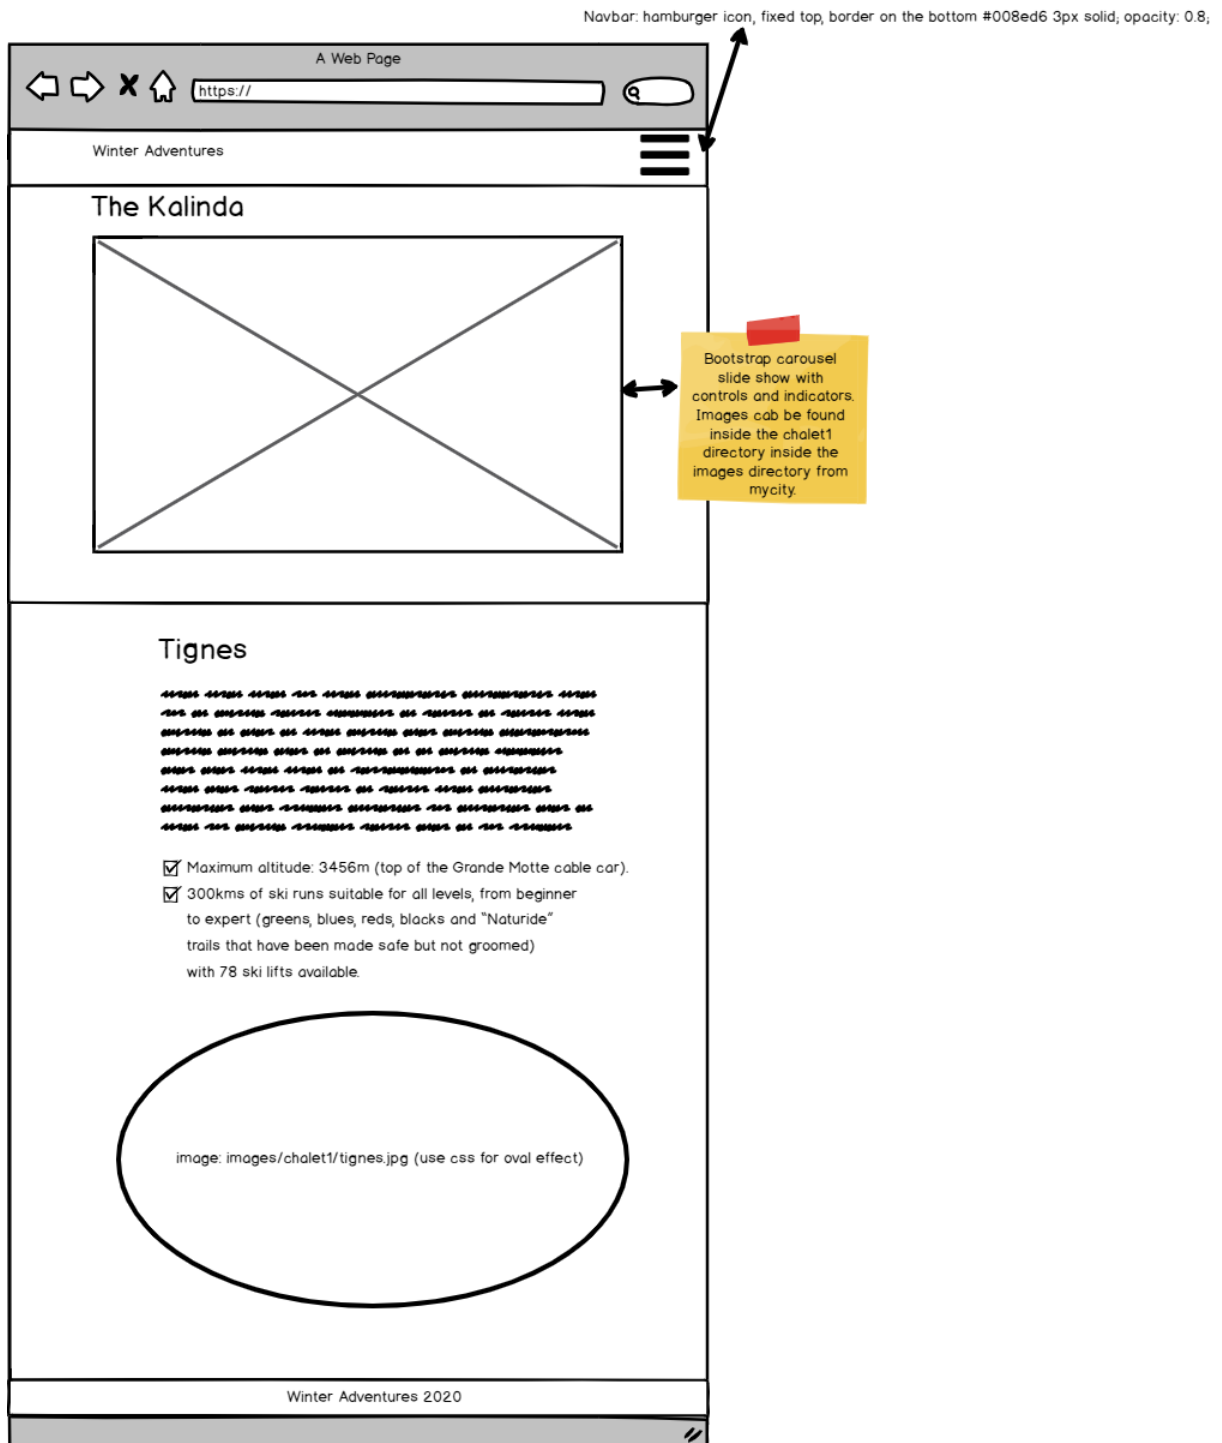

Morzine Page - Desktop

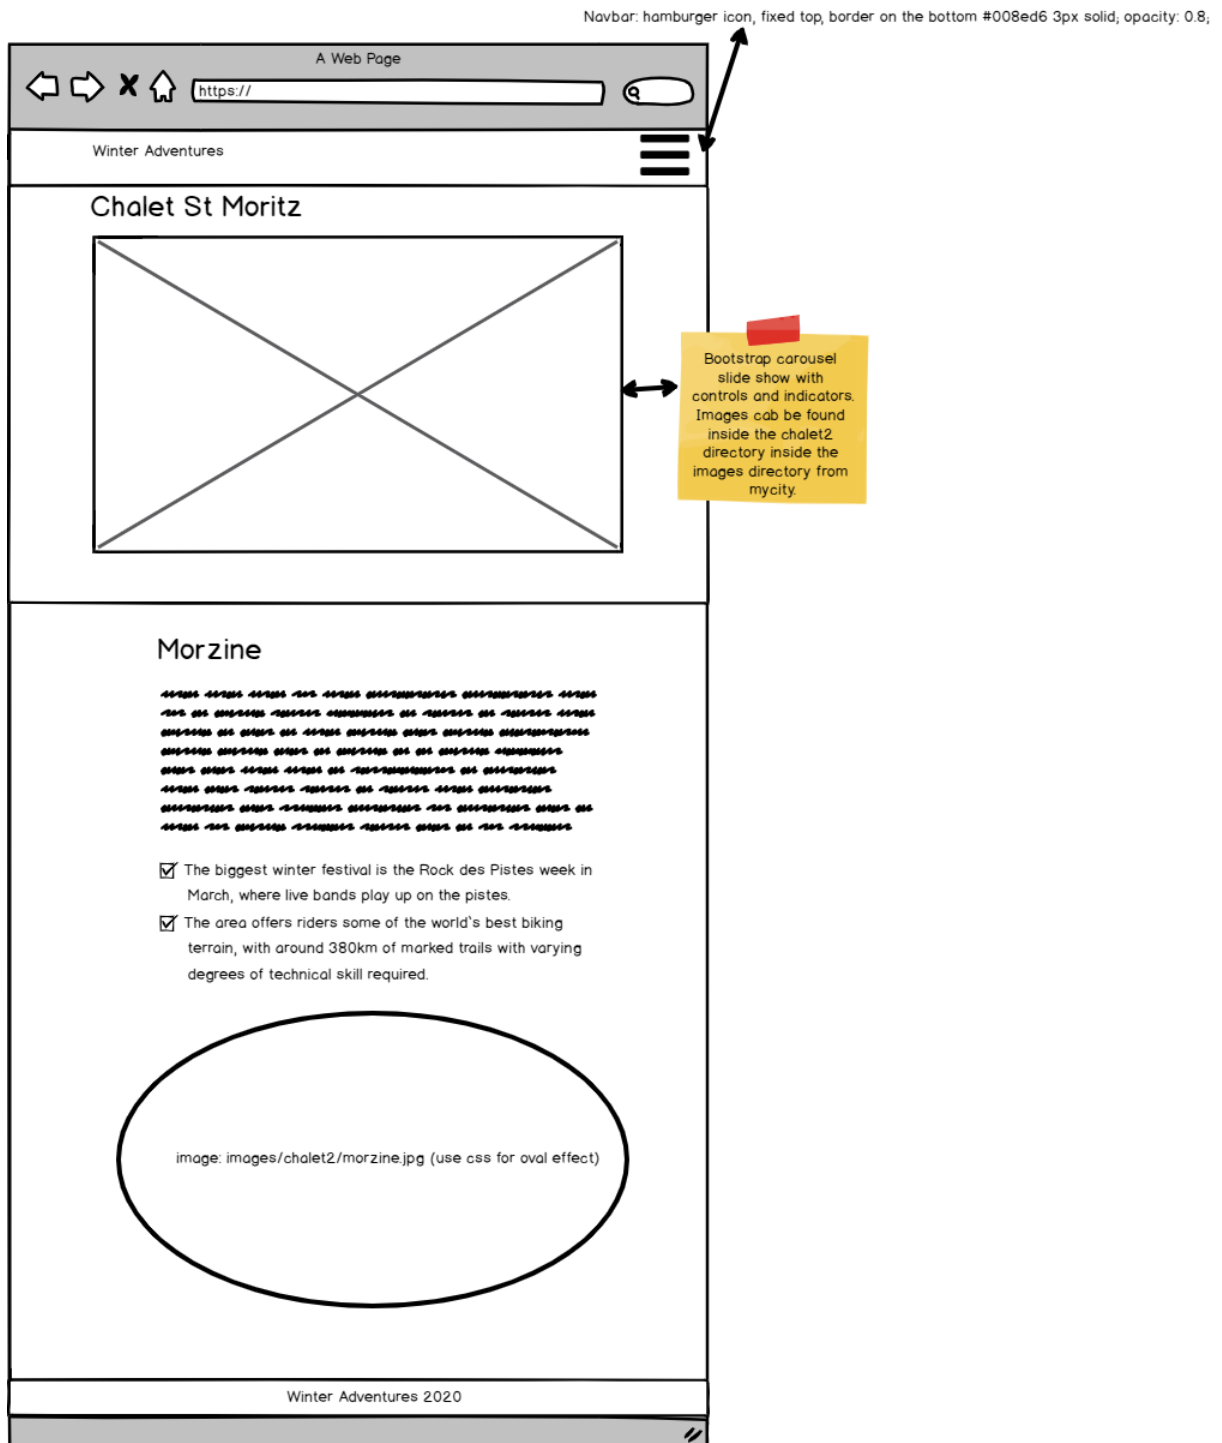

La Tania Page - Desktop

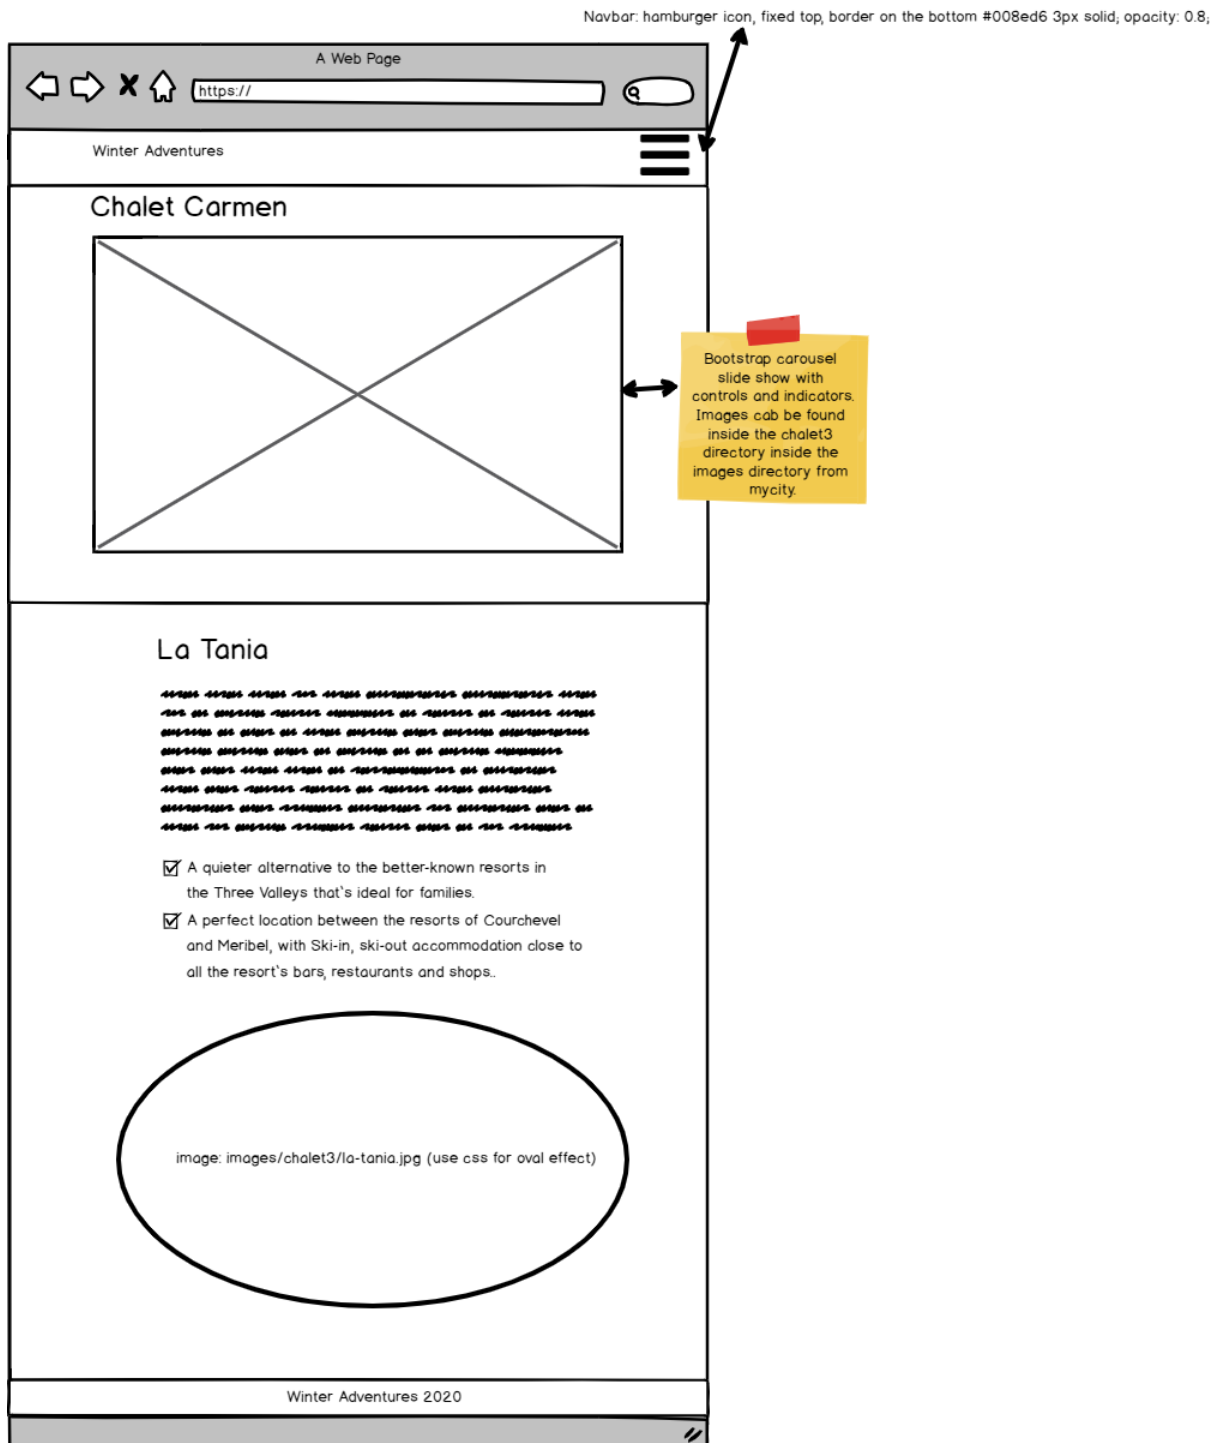

Tignes Page - Mobile

Morzine Page - Mobile

La Tania Page – Mobile

All wireframes can also be downloaded in .png image format from mycity.
